Dear Mike,

The Rotary Technology Tournament - 3rd March 2009
The Constance Green Hall, St. Aidan's Church of England High School, Harrogate

As Chairman of the Steering Group of six local Rotary Clubs responsible for organising the recent tournament, I am writing to thank your company for providing £250 in sponsorship. Your generosity in the present difficult economic climate was indeed very welcome.

On a personal note, it was good to meet you officially for the first time and to be able to exchange views about the tournament. Also, it was particularly pleasing that you were able to attend the event in person and present some of the awards.

Initial feedback from fellow Rotarians and the ten schools that took part in the tournament has been very positive and the venue seems to have been particularly popular. Let us hope that from the group of over 100 young people that took part in the competition, a goodly number will eventually decide to pursue careers in engineering, then all our joint efforts will have been worthwhile. Even for those who decide not to become engineers, I am sure the experience of taking part will remain in their memories for many years to come.

Just in case you were not given a copy of the results sheet, a further copy is enclosed. Thanks again for your support.

Yours sincerely,

Keith Prichard
Event co-ordinator and Chairman of the Rotary Club of Harrogate Brigantes Youth Activities Committee
